Stud Prefix/Suffix Owners Declaration:

I understand that registering my stud Prefix/Suffix means that no other member of the CBHSA may register the same Prefix/Suffix.

Registration of a Stud Prefix/Suffix will ensure that any horses that I register with my prefix/suffix can never have their stud prefix/suffix changed within the CBHSA Registry (this does not apply to other organizations who may allow name changes.)

Registration of a Stud Prefix/Suffix will not prevent future owners from changing the name that follows the stud prefix or is prior to my Stud Suffix.

Registration of a Stud Prefix/Suffix will ensure that no other studs or owners may register a horse with the same Prefix/Suffix without my permission.
